COLONY MEADOWS SCHOOL SPIRIT FUNDRAISER

50% GOES BACK TO THE SCHOOL!

Colony Meadows has partnered with Huntington Learning Center through sponsorship. They have also started an ongoing effort to give back to Colony Meadows Elementary through the SCHOOL SPIRIT FUNDRAISER! Schedule an academic evaluation for your child and receive a comprehensive analysis of the results. There is no obligation to enroll. Should you choose to enroll, **Huntington Learning Center will donate 50%** of the academic evaluation fee back to Colony Meadows Elementary school. Huntington Learning Center in Sugar Land appreciates this opportunity to help our community and are committed to your child's success.

Huntington Learning Center recognizes ADHD Awareness Month and Bullying

 <p>In honor of ADHD Awareness month, our Children with attention-deficit/hyperactivity disorder (ADHD) experience more obstacles in their path to school success than other students. Read this article from ADDitude to find out if your child needs extra help from a tutor: https://www.additudemag.com/does-my-child-need-a-tutor/</p>	 <p>October is also #BullyingPreventionMonth, a special webinar on how to help children with bullying and social isolation features Dr. Amanda Morales, Psy.D. to stomp out bullying: https://bit.ly/30r8rKG</p>
--	---

Huntington Learning Center is accredited by the Western Association of Schools and Colleges (WASC) and every member of our staff advocates for the best interest of each child who comes to the center. We truly care about the children and families who come to our center for academic help, and our dedication is evident to parents, counselors, teachers, and families. First in the industry, Huntington has the longest track record of helping students achieve academic success and boost their confidence and we've been successfully helping kids learn for nearly four decades. Our mission to give every student the best education possible has been our mantra since the beginning, and we love to see students realize "I can" when it comes to school success.

It's time to go solar with

Why Investigate Solar opportunities?

- Solar power technology provides **clean, totally inexhaustible and highly efficient power** to your home.
- Doing your part to ensure **social and environmental responsibilities**
- **Secure your energy prices** from going up
- **Better budget** planning especially during Summer months
- You are paying for this energy anyways and may as well own your power and **get your roof working for you!**
- Innovating your home with Solar allows you to **take advantage of Government Subsidies and tax credits 26%** for 2020 and this will drop another **4%** after 2020 to **22% and then disappear.**
- No out of pocket costs, **first payment for solar is 30 days after install**
- Most loan payments are **lower than current electricity bill**

Value Proposition:

Zillow states that home value increases by

4.1%

on average for

2019

- More than 80% of home buyers say that **energy efficiency is important.**
- Homes with Solar sell **5x faster and have 4x as much traffic.**
- Automatically recognizes your home as **"Green Star"** within the MLS
